Dear Superintendent:

We are writing regarding the Loyalty Permanent Endowment Fund Scholarships. The Fund provides scholarships of One Thousand Dollars (\$1000) per year, one half of which is distributed each semester, to eligible students entering West Virginia University.

As members of the Loyalty Permanent Endowment Fund Trust Committee, we review applications and select those students who receive the scholarships. In past years, we have noticed that we received very few, and sometimes, no applicants from certain counties. In an effort to provide this opportunity to as many students as possible, we would appreciate it if you would notify your high school guidance counselors or others in your county high schools, who might tell eligible students about this opportunity.

Each applicant must submit an application, a copy of his or her transcript and three (3) letters of reference. He or she must have a grade point average of 2.75 and must maintain that grade point average during their first year and obtain a 3.00 grade point average during their sophomore and junior years. In exceptional situations, where there are mitigating circumstances and need, the grade point average requirement may be waived for a semester. The scholarship is renewable for four (4) years or eight (8) semesters if the student meets the requirements, and is not designated for a particular purpose but provides funds to students to use for any educational expense.

Attached is a sample application. The students can also find an application online by searching for Loyalty Permanent Endowment Fund Scholarship. If we can be of any assistance to you in this endeavor, please contact Irene Bowers at 304-293-0976. We look forward to hearing from your county's students.

Sincerely,

Irene C. Berger, Trustee, and on behalf of
