

Scott High School Cell Phone Acceptable Use Policy

I understand cell phone use is permitted only during homeroom, breaks between classes, and lunch. I understand my cell phone must be turned off and placed in a pocket holder or backpack per teacher instructions during class in all classrooms; failure to do so will result in a disciplinary referral for insubordination, which will result in three days of in-school suspension for the first offense and more severe consequences for future offenses. I realize taking unauthorized photos or videos and inciting or instigating disruptive behavior are violations of the policy, which will result in disciplinary consequences and can result in my cell phone privileges being revoked. I agree to the terms of this policy and realize it includes other electronic devices used for entertainment purposes, such as MP3 players, tablets, portable video game systems, radios, Bluetooth speakers, air pods, and smart watches.
